**ATASCADERO UNIFIED SCHOOL DISTRICT
CERTIFICATED EMPLOYEES
SALARY SCHEDULE 2011-12**

Eight (8) years maximum credit for prior teaching experience. At least five (5) of the eight (8) years must have been completed within the ten (10) years preceding date of hire.

Master's Degree - \$900

National Board Certification - \$900

After initial placement, only time served in paid status (including paid leaves) in the District shall apply toward "years of service". Service in other districts shall not apply. Also, service must be continuous: time spent on unpaid leaves shall not be deemed to break continuous service and cause forfeiture of previously served time, but shall not count as time served. Similarly, a permanent employee who leaves District employment but returns within thirty-nine (39) months shall not forfeit previously served time. If such a person does not return to service within said period of time, he/she shall be deemed to have broken continuity of service and to have forfeited previously served time.

A complete year of service will be accepted when, in any one school year, an employee serves for at least seventy-five percent (75%) of the number of days of the teachers' regular work year.

Placement on Columns B, C, D and E requires a California preliminary or clear credential. Any certificated employee without a California preliminary or clear credential shall be paid \$30,000 until qualification for Column placement is achieved.
